MAIL STOP AMENDMENT COMMISSIONER FOR PATENTS P.O. BOX 1450 **ALEXANDRIA, VA 22313-1450** 

# INFORMATION DISCLOSURE STATEMENT Under 37 CFR §§ 1.56 and 1.97-98

SIR:

Pursuant to the provisions of 37 CFR §§ 1.56 and 1.97-98, enclosed herewith is modified form PTO/SB/08A listing references for consideration by the Examiner.

The filing of this Information Disclosure Statement shall not be construed as a representation regarding the completeness of the list of references, or that inclusion of a reference in this list is an admission that it is prior art or is pertinent to this application, or that a search has been made, or as an admission that the information listed is, or may be considered to be, material to patentability, or that no other material information exists, and shall not be construed as an admission against interest in any manner.

This Information Disclosure Statement is being filed:

$\boxtimes$	within three months of the filing date of the application, or date of entry into
	the national stage of an international application, or before the mailing date of
	a first office action on the merits, whichever event last occurred;
	before the mailing of a first official action after the filing of a request for
	continued examination (RCE) under 37 CFR § 1.114;
	after three months of the filing date of this national application or the date of
	entry of the national stage in an international application, or after the mailing
	23085/07809/DOCS/1469351

	date of	the first	t official action on the merits, whichever event last occurred, but				
	before t	he mail	ling date of the first to occur of either: (1) a final action under				
	37 CFR	7 CFR §1.113; or (2) an action that otherwise closes prosecution in the					
	applica	lication, and:					
		attache	ed hereto is the fee set forth under 37 CFR §1.17(p) for				
		submi	ssion of this Information Disclosure Statement under 37 CFR.§				
		1.97(c	); OR				
		•	cant certifies pursuant to 37 CFR § 1.97(e) that:				
			each item of information contained in this Information				
			Disclosure Statement was first cited in a communication from				
			a foreign patent office in a counterpart foreign application not				
			more than three months prior to the filing of this Statement;				
			OR				
			no item of information contained in this Information				
			Disclosure Statement was cited in a communication from a				
			foreign patent office in a counterpart foreign application and,				
			to the knowledge of the person signing this certification after				
			making reasonable inquiry, no item of information contained				
			in this Statement was known to any individual designated				
			under 37 CFR § 1.56(c) more than three months prior to the				
			filing of this Statement;				
П	on or h	pefore t	he payment of the issue fee but after the mailing date of the first				
			ther: (1) a final action under 37 CFR § 1.113; (2) a notice of				
			der 37 CFR § 1.311; or (3) an action that otherwise closes				
			the application, and:				
			cant certifies pursuant to 37 CFR. § 1.97(e) that:				
			each item of information contained in this Information				
		_	Disclosure Statement was cited in a communication from a				
			foreign patent office in a counterpart foreign application not				
			more than three months prior to the filing of this Statement;				
			no item of information contained in this Information				
			Disclosure Statement was cited in a communication from a				
			foreign patent office in a counterpart foreign application and,				
			to the knowledge of the person signing this certification after				
			making reasonable inquiry, no item of information contained				
			in this Statement was known to any individual designated				

			unae	of 37 CFR § 1.30(c) more than three months prior to the
			filing	g of this Statement; AND
			attached her	reto is the fee set forth under 37 CFR §1.17(p) for
			submission	of this Information Disclosure Statement under 37 CFR.§
			1.97(c); OR	
		after	the payment of	f the issue fee. Applicant requests that the information
				formation Disclosure Statement be placed in the file
				R § 1.97(i), although the information may not be
		consi	dered by the U	JSPTO.
	Enclo	sed is a	copy of each	listed reference that may be material to the examination of
				nich there may be a duty to disclose.
	This a	r pplicat	ion relies, und	ler 35 U.S.C. § 120, on the earlier filing date of prior
				led on, and the references cited therein are hereby
				uired to be provided in this application under 37 CFR §
	1.98(		•	
$\boxtimes$	This a	pplicat	tion was filed a	after June 30, 2003. Therefore, pursuant to the waiver of
	the re	quirem	ents under 37	CFR 1.98(a)(2)(i), copies of each U.S. Patent and each
		_		iblication are not required to be submitted. Copies of any
				and non-patent literature cited herein are enclosed.
	_	-		ontained in this Information Disclosure Statement was
	cited	in a cor	nmunication f	rom a foreign patent office in a counterpart application,
	and th	ne comi	nunication wa	is not received by any individual designated in 37 CFR §
	1.56(	c) more	than thirty day	ys prior to the filing of this Information Disclosure
			37 CFR § 1.704	
$\boxtimes$	Appli	cant su	bmits that no f	fee is required for the consideration of this Information
	Disclo	sure S	tatement.	-
Consi	ideration	n of the	listed reference	ces and favorable action are solicited.
				Respectfully submitted,
				RYAN RIFKIN
